

Dean's Award

Faculty of Electrical Engineering and Computer Science, University of Maribor

Recipient

The Dean's Award is presented to the student Aleksander Kalacun.

Award statement

With this award, I confirm that the student ranks at the very top of the first year of the academic study program Computer Science and Information Technologies. In the 2024/2025 academic year, he achieved an average grade of 9.70 in the first year of the first-cycle Computer Science and Information Technologies program. This places him among the top 5% of students in his cohort.

I sincerely congratulate the student on this outstanding achievement, which is the result of diligent work and demonstrated dedication, and present him with the Dean's Award.

Place and date

Maribor, 20 November 2025.

Signatory

Full Professor Dr. Gorazd Štumberger, university-qualified electrical engineer. The signature appears on the original.

Translated from the Slovenian original. The original issued document remains authoritative. Logos, stamps, and signatures have not been reproduced.
